

INDO-PHILIPPINE MISSIONS TEAM

Strategically placed with a strategic plan to impact Asia for Jesus Christ

"Dad, will you go to church with me?"

West Negros University has been at the forefront of our attention as we approached this past week of soul winning on the campus, which culminated in a chapel service with many of the students in attendance. This is just the start, as we plan to implement Bible studies on the campus, conduct Bible devotions among various departments of the university, bring students to church, get them enrolled in our online Bible institute, and follow up on their family members.

Sunday morning we had our first jeepney in front of the university to bring students who were interested in coming to church. We've not yet implemented our system to mass text students, but we did get a message to a few who had indicated an interest in transportation to church. One made it on the jeepney, and we anticipate many more in the weeks ahead. However, one WNU student made it to church on his own and brought his father with him. Pastor Vest recognized the father; Rocky Templa had attended Gospel Baptist Church before. Rocky allowed a busy schedule and a wife who is staunch Roman Catholic to pull him out of church. His son, Mark, was reached on the university campus and came home afterward asking, "Dad, will you go to church with me?" Mark was inviting his father to visit the Baptist church which he had been to before. Please pray that Mrs. Templa will come to Christ also and that this family will become faithful members of Gospel Baptist Church.

896 SALVATIONS

Thank you for your prayers for our week of soul winning at WNU. We had access, all week, to openly talk with students concerning their salvation. All over the campus, about 30 soul winners, in matching shirts with our B-ALIVE logo, were seen winning people to Christ one-on-one and in groups. When we arrived on Friday morning, their ROTC students were rolling around in the mud and going through other various drills in the open field which centers the campus. It was quite a show. As our main chapel service got underway, we sent several soul winners over to win these to Christ. Their instructor said she was a Christian and that we could talk to these cadets in groups.

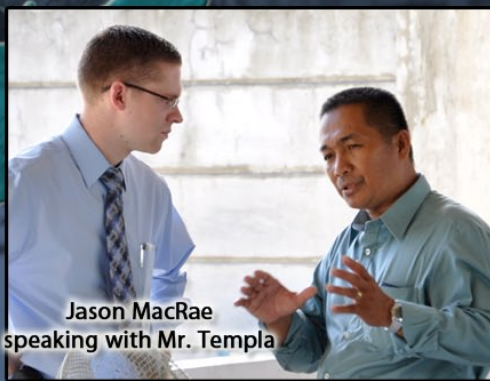

The folks at the college are excited for us to be there to help their students. We hope you'll pray that we'll be unhindered as we continue to go onto the campus. We have much follow-up to do with the 896 souls saved. We've already had 2 students visit this Sunday as a result of our being on the campus. We collected over 600 names and cell phone numbers so that we can text students to alert them to Bible study and church service times. We've already seen several requests about the online Bible institute.

Our desire is that many of these students will answer God's call and help us plant churches. Please pray as we develop our campus ministry program called Bible Answer Lessons in Values Education.

ON THE INDIA FRONT

Below are some photos from the recent trip to India. Please pray as a few of us take a trip in September to make arrangements for how we will implement a training program for pastors among various groups.

Jason MacRae speaking with Mr. Templa

Dr. Moore speaking to college students in Kolkata (Calcutta)

Dr. Moore speaking to children at an orphanage

PLEASE PRAY AS WE HELP GOSPEL BAPTIST CHURCH TO TAKE THE GOSPEL TO THOUSANDS OF CHILDREN IN THE PUBLIC SCHOOLS THIS WEEK!

So far God has used our team, in the Philippines, to see 1,272 souls saved and 1 baptized.

B-ALIVE!
