A view toward Bacolod from the mountain.

## MOUNTAIN TOP EXPERIENCE

Our team children finished school just before we left for the Philippines in June. At the same time, the Filipino children were just starting their school year. To avoid a mutiny, we decided to allow our children to enjoy a summer break as we settled into the new homes and surroundings. School for our children will begin on Monday, September 6th. We decided to end their summer break with a trip to a nearby mountain resort called Mambukal, and we invited the entire team to enjoy the day with them.

Only about an hour away from Bacolod, this getaway provided a butterfly garden, bat-watching, waterfalls, and most importantly, a place for lunch! After lunch, we took the willing on a hike to see the first of seven waterfalls. We actually made it to the second, and a few visited the third, but only Mike Morrissey and Jason MacRae ventured up the long, steep mountainside to the seventh.

When they reached the fourth fall, they were amazed to find squatter homes, make-shift houses put together by people who do not own the land but take up residence anyway. Four children met them and eagerly offered to guide them on their way. Bro. Morrissey shared the Gospel with these children, and they happily came to know Jesus as their Saviour. At the seventh fall, Bro. MacRae met a young couple named Cierex and Shira who likewise received Christ as their hope of eternal life.

## B-ALIVE! UPDATE

The second B-Alive Bible study was held on the campus of WNU this week. We're praising the Lord for having 21 in attendance and 2 saved!

Bro. John Felt is on the schedule to give an hour-long devotion each week to the guidance staff at WNU. These are the people who see all of the students on a weekly basis. What an amazing God we serve!

Bro. DeMoville leaves for India this week to meet with Dr. Darrell Moore and team members Teja Rao and Scott Christiansen. Important events are taking place, new opportunities are being explored, and decisions are being made about our work in the world's second most populated country. Please pray that we'll have safety and wisdom to know and to do God's will.

So far God has used our team, in the Philippines, to see 3,538 souls saved and 4 baptized.
