# INTERNATIONAL BAPTIST CHURCH

at Dumaguete, Negros Oriental, Philippines

As you can see, our new building needs some work on the inside.

Last week, we announced that the team in the Philippines will be starting a new church, International Baptist Church, in Dumaguete City. We are very busy in the process of finding houses, moving families, and planning for the work that must be completed before we have our grand-opening service in January.

Not only our church building, for which we've already signed a lease, but our church website is under construction. We invite you to visit the new site at [www.ibcdumaguete.com](http://www.ibcdumaguete.com).

During our visits to Dumaguete we've already met some very helpful people, and we've had some great soul-winning experiences. We're anxious to get the church started so that these new converts may attend and grow. In the meantime, our church tracts and some of our discipleship materials have already been printed so that we're able to help these new converts get started in memorizing Scripture. Area Bible studies will start soon. Please pray as we move forward!

MERRY CHRISTMAS FROM THE TEAM IN THE PHILIPPINES!
